Moving organizations beyond compliance by removing real barriers and delivering strategies that drive engagement, performance, and business results.

# ALYCIA ANDERSON

---

Alycia Anderson is a Global Keynote Speaker, Disability Advocate, Accessibility Strategist, Podcast Host, and CEO of The Alycia Anderson Company, LLC.

As a former Multifamily SaaS technology VP, Alycia specializes in helping organizations advance inclusion and accessibility while fostering cultures of engagement and business growth.

A wheelchair user since birth, she holds a Master's Degree in Adaptive Physical Activity and serves on California's Insurance Diversity Task Force, holding the inaugural seat as the first Persons with Disabilities Business Enterprise Representative.

Alycia has partnered with over 200 brands, including Microsoft, Victoria's Secret, Netflix, Etsy, and NAA and her work has been featured by TEDx, the Los Angeles Times, CBS News, and Authority Magazine's Female Disruptors series.

She hosts the Pushing Forward with Alycia podcast, using storytelling and lived experience to elevate disability representation.

Known for “right-sizing” everyday obstacles into opportunities for possibility. And that's how she rolls.

"And that's how she rolls!"
